Peterson's Guide to Online Learning (PP917468) \$14.00

A Practical Introduction

Online learning is now firmly entrenched as a viable alternative to classroom-based training. This new guide describes what distance learning is all about and steers readers through the pros and cons of whether learning online is the right choice.

- ◆ Advice from deans and university officials
- ◆ How it works, how to select a program, and what it takes to succeed.
- ◆ Personal success stories from distance learners.
