 Rob Roy **Wurthering Heights**
 COUNT OF MONTE CRISTO
 Treasure Island

**CLASSIC BOOKS.
 FRESH LOOKS.**

At a time when classical education is rare, the core of the Penguin Classics has an ever more important role to play in providing access to the greatest works in editions that are both up to date and authoritative.

The world has not changed so much that the best literature of several thousand years and countless cultures has lost its relevance.

The Penguin Classics, though designed to give pleasure even more than instruction, have been hailed as the greatest educative force of the twentieth century.
